- community impact
- change students' lives

Make a difference: Volunteer in Wilmington

We need volunteer tutors at Avalon Continuation High School to help students trying to pass the CA High School Exit Examination. If you want to make an immediate, positive impact on students, earn volunteer hours and have a possible internship with a well-established, local nonprofit, please contact Program Director Anwar Shariff.

ShareFest Community Development is a local nonprofit that creates lasting impact with educational youth academies.

The Youth Development Academy is a year-round program for continuation high school students that will help shape their lives through life skills training and tutoring for the exit exam.
